

How to Get to Finca Hotel Son Ametler, Moscari.

Route Description from Palma

We are about 40 minutes away from Palma Airport.

- Take the Motorway/Autopista direction Puerto Alcúdia.
- Drive on this motorway for about 20 minutes until you get to Inca.
- Take Exit 27, direction Inca, Selva, Lluc (this is the second exit signposted for Inca). Turn left at the roundabout on the motorway exit, straight ahead at the second roundabout (with the big steel “shopping bag” sculpture in the middle), then take the first exit right at the third roundabout, direction Lluc/Selva.
- At the next roundabout take 3rd exit left into Inca, again signposted Lluc and Selva. You will pass an underground car park on your left. Follow road until the end, turn left, and then immediately right, again following directions for Lluc & Selva. You will pass a “Toy Planet” on the left and a Petrol Station on the right. Follow the road into Selva. In Selva the road bends towards the left and you will start going uphill.
- Immediately after the bend turn right signposted “Es Castell” and other hotels, towards Moscari. If you pass leather factory on the left you have missed the turn!
- When you come to a fork in the road, drive left, signposted Hotel Binibona and Hotel Albellons. Ignore the next 2 left turns and keep going straight ahead.
- After a Restaurant called Font Torreta, turn immediately right onto a dirt track. The finca is the second iron gate on the left hand side of the road.
